---

Dear Moreland Bible Church,

We are in the middle of our camping season. In all the business of the summer I wanted to pause and send a special "Thank You" for your financial support. Your gifts enable this ministry to continue reaching out to youth who so desperately need to hear of the love, forgiveness and healing that Jesus Christ desires for them. We have already been blessed to see some accept the Lord and others become broken before Him so they can leave their burdens at the cross. God is working powerfully and you have been a part of it. Thank you for your gifts. Continue to be in prayer for the summer camps. Be encouraged in your giving as it does make a big difference in our ability to effectively minister to youth and adults.

Our expenses have increased dramatically this year with energy related costs. While we will do our best to trim cost, it appears additional revenue will be needed for this ministry to keep up with expenses this year. Would you consider giving an extra gift to our general fund? If you are able to help in this way, it will make a big difference. Thank you for your additional support.

Your fellow servant in Christ,

Chip Shetler  
Executive Director

PS

Please plan on attending Camp Morrow's 50<sup>th</sup> Anniversary, July 26, 2008, from 1:00 to 8:00. It will be a time of celebration and reflecting on God's faithfulness over 50 years of ministry. To end the festivities, we will have "Rescue", an acappella group out of Portland, in concert.
