Community Report ~ The above story can not be told! No one has stepped up to say, "Yes, Lord, I want to be a missionary in one of these areas. Communities and people have called and asked that a missionary be sent to tell them the news of the scripture and God's love for them.

The graffiti above declares the message of love and the greatest message of love given by God to all mankind is ready to be shared ... if only there was someone to share it.

*"How, then, can they call on the one they have not believed in?
And how can then believe in the one of whom they have not heard?
And how can the hear without someone preaching to them?"*

Missionaries serving in The South.

Brian, Lucia, Jeremy and Stephanie Efferding (FL) serve an international community with children and adult ministries . Last year they reported Bible Studies in three languages.

New doors have been opened for ministry with access into a larger neighborhood which will included elementary through high school possibilities. We praise God for blessing the Efferding's with more opportunities for ministry.

Pray that God will provide the volunteers to staff the new programs being developed.

Jeremy and Stephanie are home schooled including classes in Japanese. They both compete in tennis.

Joey, Darlena, Braden, Anna and Tian Ferguson (WV) serve six counties in southwestern West Virginia living in a county that is 80% unchurched. Joey pastors a small church and assists other churches where needed. Summer finds them backyard Bible clubs, church VBS's and speaking at camp.

The Patriot Project, a new ministry, was launched to teach pre-college teens and adults about the wiles of secular universities. With evolution at the heart of destroying our moral fiber, they teach on truth and how to find truth using creation vs. evolution courses.

Praise and Prayer

- We are praising God for an increase in our support.
- Prayer for the selection of a new General Director for AMF.
- Safety in travel (24,251 plus air miles in 2007)
- Rachel and Noah (CO) visited in February — it was pure delight!
