Since we have some space, we decided to include some family photos.

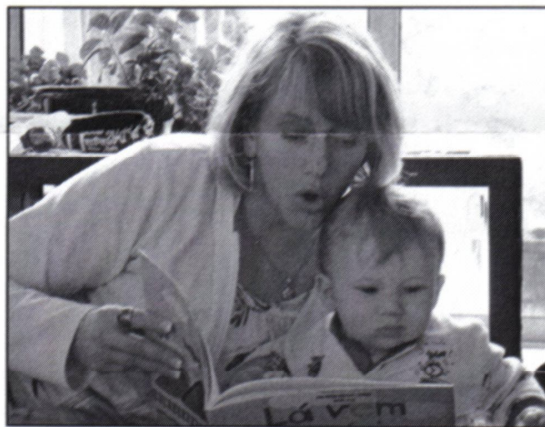

Us in Central Park, during our trip to New York (we were hosted royally by former Portugal "mk," John Ericson and his fiancé).

Grandson Dash, 9 months old, (taken at home in Ann Arbor, MI).

Dash, Mike, & Nelleke (Wooten) and Pam & Ron (Middleton) next to the Smith River, where we had a picnic for Bill's 69th birthday.

"Aunt Chrissy" reading to Dash in Portuguese during her visit to Michigan in May.
