Dear friends at Moreland,

This note is now overdue, but we want to thank you so much for the \$100.00 gift you sent in to our mission account in March. Your generosity is a reminder of all that God is doing down there in SE Portland, and we are rejoicing with you.

We are starting to plan for our next ministry trip to Portugal, in Sept., and this time we'd like to take a prayer team with us. Of course that means lots of arrangements, plus we need to have someone here to look after Bill's mom in our absence. (She turned 95 in January!) So we do appreciate your prayer for the Lord's leading and wisdom in all this.

We are getting more involved in various ministries here in Crescent City, which is a blessing. We'd appreciate prayer for the unbelievers we are meeting (our neighbors, one of mom's neighbors who now attends my ladies Bible Study, folks we see often at the Senior Center where we take mom for lunch 3 times a week.) As we get older, we realize that the only really important thing we can do for people is help them to know God.

May the Savior bless you and your ministry there.

Thanks again,

Sharon & Bill Wooten
